SELLING IN

TEN STEPS

1

DISCOVERY & RESEARCH

I will tour your home and give my insights on what will help your sale. We discuss the process and develop initial marketing strategies.

2

LISTING APPOINTMENT

We discuss the value of your home, review the calendar of expectations, sign documents and enter into contract. You're ready to list!

3

PRE-LAUNCH

All of our marketing materials are collected. From photography to lock boxes on your home, I make sure everything is prepared for launch day.

4

LAUNCH DAY

It's time!
Your home's profile is posted online. A yard sign is placed on your property. Any and all marketing materials we've agreed upon will be rolled out.

5

BUYER PROSPECTING

Consistent exposure of your home is spread across the marketing platforms. All scheduled events are completed via until we reach a sales agreement.

6

SALES AGREEMENT

Once an offer has been made, we will review all terms and conditions and respond as needed.

7

INSPECTIONS

Your buyer will probably hire an inspector to review your home. The inspector is likely to recommend repairs or upgrades and we will negotiate on your behalf.

8

LOAN COMMITMENT

The buyer's loan is underwritten and appraisal is performed. All buyer's documentation is verified and we wait for approval.

9

CLOSING PREPARATION

The lender's requirements have been met and the documents have been ordered. Closing has been scheduled. I will review the figures and the buyer has a final walk through of your home usually 24-28 hours prior to closing.

10

CLOSING

The last step! Documents are signed, keys are exchanged and proceeds received. You may cancel your utilities and insurance, and your yard sign is removed from your property. I am there to help after the sale of your home - whenever you need me!

4 FACTORS THAT AFFECT THE SALEABILITY OF YOUR HOME

Price Point

Pricing your home for the current market is important for maximum exposure and ultimately, a satisfactory sale.

- Factors that determine a property's value:
location, design, amenities, competing properties, economic conditions.
- Factors that have little or no influence:
price the seller originally paid, amount spent on improvements

Market Conditions

The real estate market is always fluctuating, and as your agent I will be able to discuss the pros and cons of listing during varied market conditions.

Property Condition

The condition of your property will have a lot to do with the selling price and how quickly it will sell. If there are repairs needed, or if professional staging is required, I will be there to assist and offer my guidance and network.

Market Exposure

I will focus will be on what we're able to control - market exposure and negotiating offers. I want to get the most qualified buyers into your home, in the least amount of time, and with minimal inconvenience. With a comprehensive marketing plan, your home will get noticed in any market.

ESSENTIAL MARKETING PIECES

Our #1 goal is to get your home's information to as many potential buyers as possible! Here are a few basics:

- Feature flyers and brochures will be placed in the home which will include as much information as possible for a buyer to make an educated decision. Items such as financing options, disclosure statements, and lists of upgrades and improvements that have been made to the property.

- Open Houses are always optional, but if we utilize an open house, here are the basics: Qualified REALTOR will host the home on a given Sunday, usually between 2pm - 5pm.

UNDER CONTRACT PROCESS

OFFER ACCEPTED

Now that you've decided on an offer, it's time to start the under contract process. There are a few dates and deadlines to be aware of - title deadline, due diligence, inspection, appraisal, and loan conditions. The under contract process can normally take anywhere from 30-60 days.

INSPECTION

One of the most crucial steps in buying a home is performing an inspection. The Buyers elect to do this if they choose. The Buyer's agent will set up a day and time that works for you to have the inspector perform a full inspection on your home. You will be asked to leave during this time. It should take anywhere from 1-4 hours depending on the size of your home. After inspection, the Buyer's agent will send an inspection objection requesting specific repairs or replacements, if needed. At this time you can decide which items you agree to fix, repair or replace, if any. Remember, inspection items that affect health and safety are pertinent.

APPRAISAL

An appraisal will be required by the lender if the Buyer is obtaining a loan. The appraisal could come in low, high, or at value. I will guide you through the process on the right moves to make if the appraisal comes in low. After the appraisal, we wait for the loan conditions deadline for the Buyer and are that much closer to the closing table.
